## SHERWOOD 4X4

The Sherwood 4x4 is our hero model and Australia's top-selling 4x4 motorhome.

Built on the unbreakable Toyota Hilux and ever reliable Ford Ranger, for more than 30 years, the Sherwood; is tough, tested, and proven off-road, right across the country.

Featuring a comfortable over-cab bed, spacious lounge with wrap-around views, full kitchen, and the luxury of a private bathroom for that end-of-adventure hot shower, it's your home – well, away from home...

## LICENSING & MORE

You only need a car licence for most Suncamper recreational vehicles, so your new life can start sooner! We also continuously develop models to keep Suncamper motorhomes at the leading edge of innovation in materials, technologies and enjoyment, which means features and information may change without notice.

## THE BUILD

Your Suncamper is built from the highest quality materials to ensure our products are finished immaculately. With a solar steel frame serving as your base, your Suncamper Motorhome is robust & ready for your Australian adventures. Keeping you secure is Suncamper's strong 4S composite constructed fibreglass walls. Sandwiching fire retardant insulation, these walls are cut down to the mm on our state of the art CNC machine. Sculpted & assembled through 30+ years of R&D our shells are designed to keep water & dust out no matter the environment. With various anchor points throughout, your cabinetry is strong enough to be self supporting, but partners comprehensively with our 4S walls.

We pride ourselves on our build quality, ensuring your Suncamper is set for all your adventures for many years to come.
