## SANTA CRUZ

The new Santa Cruz is premium living you have to experience to believe. Designed with all the features you want and others you didn't even know you want, the Santa Cruz rides on an Iveco Daily to provide an ideally matched driving experience.

Designed for living, from the Nespresso coffee machine that rises at the touch of a button to the sensor floor lights guiding your way at night, the Santa Cruz surprises and delights. A boutique hotel-style bedroom and ensuite with double sliding doors for total privacy – plus a double shower head for total indulgence – highlights abound. Think mood lighting and leather upholstery for relaxation, a dishwasher and washing machine for convenience, and air conditioning and central heating for perfect year-round comfort.

Outside, an electric awning shades at the touch of a button, and the Santa Cruz boasts the most incredible slide-out kitchen available.

In short, the Santa Cruz raises the bar in motorhome design. It's serious luxury for those serious about living...
